

Quality Statement

borwell Ltd. is committed to providing and supporting services and products that consistently satisfy and enhance the needs and expectations of our customers.

Quality Management System

This level of quality is achieved through the adoption of our Quality Management System which aims to meet the requirements of BS EN ISO9001:2000, and reflects the competence of the company to existing customers, potential customers and independent auditing authorities.

Everyone is responsible for quality

Achievement of this policy involves all staff, who are individually responsible for the quality of their work, resulting in a continually improving working environment for all.
